

Heatmap visualization showing the relationship between Units (Y-axis, 0 to 8) and Concepts (X-axis, 0 to 9). The color scale ranges from -0.8 (dark red) to 0.8 (dark blue), with 0.0 being white.

Key observations from the heatmap:

- Unit 1 shows positive values (light orange) for Concepts 0, 1, 2, 3, 4, 5, 6, 7, 8, and 9.
- Unit 4 shows a strong negative value (dark red) for Concept 2, and positive values (light orange) for Concepts 0, 1, 3, 4, 5, 6, 7, 8, and 9.
- Unit 0 shows positive values (light orange) for Concepts 1, 2, 3, 4, 5, 6, 7, 8, and 9.
- Unit 3 shows positive values (light orange) for Concepts 1, 2, 3, 4, 5, 6, 7, 8, and 9.
- Unit 2 shows positive values (light orange) for Concepts 1, 2, 3, 4, 5, 6, 7, 8, and 9.
- Unit 7 shows positive values (light orange) for Concepts 1, 2, 3, 4, 5, 6, 7, 8, and 9.
- Unit 9 shows positive values (light orange) for Concepts 1, 2, 3, 4, 5, 6, 7, 8, and 9.
- Unit 5 shows positive values (light orange) for Concepts 1, 2, 3, 4, 5, 6, 7, 8, and 9.
- Unit 8 shows positive values (light orange) for Concepts 1, 2, 3, 4, 5, 6, 7, 8, and 9.
